

EC

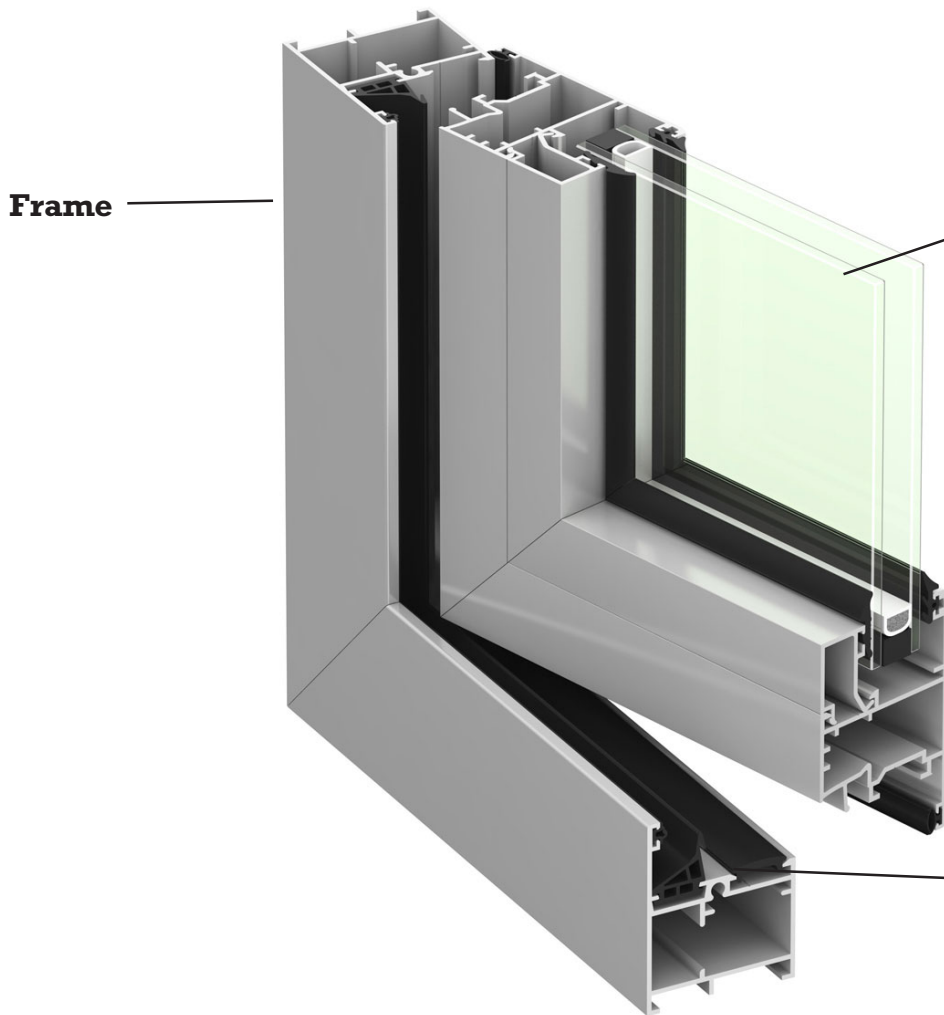

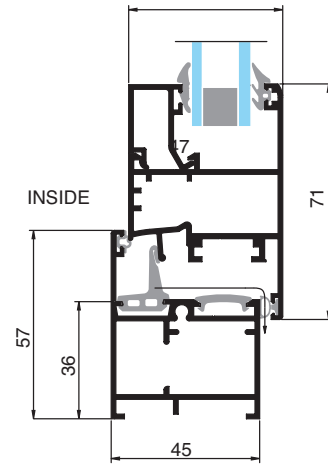

45

Versatile system for most
residential design needs

Thermeco
Windows for meaningful living.

EC45

EC45 is Thermeco's most popular and adaptive system to suit Australia's broad and dynamic environmental conditions.

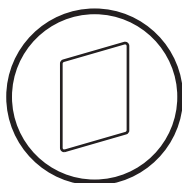

Single or Double Glazing

Excellent thermal & acoustic insulation available in a range of up to 30mm thickness to suit installation requirement.

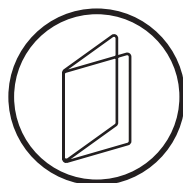

Gasket

Made from EPDM provides initial protection for wind & water penetration.
